

**MILLIONS WILL BE SPENT.**

A Short but Expensive Session  
of the Legislature.

Bills that Provide for Vast Outlays  
of Money in New York.

A short session, but a long pull at the  
people's purse strings.

This, in brief, is the record of the present  
legislature, which will probably adjourn on  
April 20.

"The Evening World" has compiled a list  
of bills relating to New York City authorizing  
the expenditure of money. Compared  
with other years the fixed appropriations  
are small, but there are a number of bills which, if passed,

will add to a certain amount—small, but  
there are a number of bills which, if passed,

These admit of the expenditure of millions.  
Some of them may be wise laws, but that  
is not the case with a comprehensive bill  
of the financial measures introduced in the  
legislature by their representatives before  
that kind passed and pending are here given:

was deducted and computing amount of taxes, dis-  
bursements.

Of the foregoing the bills for an increase  
in the pay of Fire and Police Departments,

and the one authorizing the city to build an  
underground rapid transit road at an estimated  
cost of \$50,000,000 to \$100,  
000,000, will probably not be passed.

A bill of thirty-three pages, and appropri-  
ations restricted to members of Congress,  
Tammamay, are not mentioned here.

They are either dead or will be killed; it is  
not known.

**REV. SYKES MAY BE EXPELLED.**  
Ministers Say His Explanation Is  
Not Sufficient.

BRIDGEPORT, Conn., April 7.—The state-  
ment published by Rev. George S. Sykes, re-  
garding his disappearance in October last, is  
much commented upon in this place, where  
Mr. Sykes now is with his family.

Mr. Sykes, it was alleged, eloped with the  
young lady organist of the West Long Branch  
Methodist Church, of which he was pastor.  
The organist, whom recently at Mount  
Dewey, spent time for one year or less  
in his choir without the consent of his  
husband.

There is another explanation made by Mr.  
Sykes than that he abandoned his church and  
family, and eloped with the organist. He  
thought he was in danger from circumstances  
affecting his son's character. Some of the  
young members of the congregation are said  
to have been instrumental in bringing about  
it is said, his determination to leave, and  
he had to have his departure on the part of his  
wife, as he did not want to displease his  
children, as to his future plan.

**DANCING AND REAL ESTATE.**

The Owners of Sherman Park Enter-  
tain Their Man Friends.

The Hovey Transit Real Estate Com-

about 5,000 people acquainted with some  
of the advantages and attractions for a  
home site afforded by that popular  
residential tract as an entertainment in  
Leviathan Avenue Opera House last  
evening.

Andrew L. Soudier, President of the  
Chapman, welcomed the guests and gave a  
somewhat history of Sherman Park. An excellent entertainment by  
General Manager Keppler and the  
Hovey Company followed, after  
which the door was cleared and dancing  
began.

General Manager Keppler and the  
Hovey Company, who were the  
entertainers, also received recognition for  
their services.

**EXTRA SESSION IN KANSAS.**  
Farmers Demand Lower Freight  
Rates on Their Products.

TOPEKA, Kan., April 7.—Application for an  
extra session of the legislature continues in  
Western and Central Kansas. The Farmers  
have demanded the need of legislation to  
reduce freight rates on agricultural products.

Gov. Jewell adds that a very strong de-  
mand is being made upon him to convene the  
legislature in extra session, that the pop-  
ulation of the state is too large to be  
fully represented in the legislature.

He said he could not meet the demands of  
the people, and that no extra session would  
be held in probability he said after the  
farmers had been heard.

Chairmen of various county committees  
met at Topeka yesterday, and the farmers  
agreed to meet in extra session.
